Section 2. Group Plan

This certificate describes your rights and benefits under the Plan.

Section 3. Plan sponsor as Agent

The Plan Sponsor is required to provide us with any information or instructions required by us to administer the Plan.

We are entitled to rely on any information or instructions provided to us by the Plan Sponsor respecting you or on behalf of you as if such information or instructions were provided to us directly by you. Upon joining this Plan, you appoint the Plan Sponsor as your agent for all purposes in connection with the provision of information or instructions to us respecting the Plan until such time as we receive notice that you are no longer a Member of the Plan.

Section 4. Investment Rules

We have established Investment Rules relating to the management of the guaranteed investments and variable investment funds available under the Plan. The operation of the Plan and your rights will be subject to the Investment Rules. We may amend the Investment Rules at any time and will provide the Plan Sponsor with prior notice of material changes wherever possible. From time to time changes to the Investment Rules may be imposed on us by fund managers and in those circumstances prior notice may not be possible.

Section 5. Contributions

Contributions to the Plan will be invested in a group annuity policy issued to the Plan Sponsor by us. We will establish an account for the Member and Contributions received on behalf of each Member will be allocated to the Member's account. All Contributions must be within the limits permitted under the Income Tax Act.

In the event of an overpayment, on written request, we will refund to the contributor any amount as provided in paragraph 146(2) (c.1), or any successor provision, of the Income Tax Act. The amount refunded cannot be greater than the value of the funds held under this certificate.

Section 6. Investment Options

Contributions will be invested in one or more of the various Investment Options which we make available to the Plan from time to time, as directed by you and/or Plan Sponsor, as applicable, and will be allocated to your account. If no election has been made by you, new Contributions will be invested in the default Investment Option(s) selected for the Plan. Contributions invested in an Investment Option will be subject to the Investment Rules. We may amend the terms of any Investment Option or add or withdraw any Investment Option at any time. We will provide 60 days' notice to the Plan Sponsor of any material change to an Investment Option.

a) Guaranteed Investments

Contributions may be invested in guaranteed investments of various durations at guaranteed interest rates. Investments in the guaranteed investments described in this certificate are guaranteed both as to principal and interest. Contributions invested in a guaranteed investment will earn interest in the manner and at the rate applicable to that investment in accordance with the Investment Rules. The interest rate on any such investment is compounded daily and guaranteed until the end of the month in which the selected interest guarantee period expires.

At the end of the interest guarantee period of any guaranteed investment, you and/or the Plan Sponsor, as applicable, may select any new interest guarantee period we are then offering, so long as it does not extend beyond the Maturity Date of this certificate. Alternatively, you and/or the Plan Sponsor, as applicable, may select any other Investment Option we are then offering. If no selection has been made, the Contributions and interest will be reinvested for the same term, at the guaranteed interest rate in effect at the time of reinvestment.

Subject to the terms of this certificate, you may withdraw amounts from any guaranteed investment before the end of the interest guarantee period. If Contributions are withdrawn from a guaranteed investment, the value withdrawn will be calculated in accordance with the Schedule of Fees applicable to the Plan.

b) Variable Investment Funds

Contributions may be invested in variable investment funds. These funds are segregated funds offered and administered by The Canada Life Assurance Company. Contributions invested in a variable investment fund are not guaranteed either as to earnings or as to principal. The value of the Member's account in a variable investment fund will fluctuate with the financial experience of the fund.

The assets of a variable investment fund belong to us but they are available only for the benefit of unit holders of the fund. If you invest a Contribution in a variable investment fund you will acquire units in the fund equal to the value of your Contribution on the date the investment is made.

We determine the value of the units of a variable investment fund on each valuation date of that fund and investments into and withdrawals from a fund can only be made on a valuation date. Most funds offered by us are valued on a daily, but we may value funds less frequently in accordance with the Investment Rules. The unit value of a fund on a valuation date is determined by dividing the value of the assets of the fund, less the investment management fee described below, by the number of units in the fund immediately before the valuation date.

An investment management fee is charged and includes a fee for managing the variable investment funds, a fee for providing other services under the Plan and may include an amount for administrative expenses and other services under the Plan in accordance with the Schedule of Fees applicable to the Plan. This fee may either be deducted from the value of the assets of the fund (as part of the calculation of the unit value of a fund), or with our consent, the Plan Sponsor may elect to pay this fee separately.

Section 7. Benefits - Income at Maturity

If you are living on the Maturity Date we will liquidate the value of funds held in your account and apply the value to provide a retirement income fund for you from us, as we in our sole discretion may select, and you appoint us as your agent for this and any related purpose. If we transfer the value of funds held in your account to a retirement income fund with us, the beneficiary designated by you under this Plan will also serve as the beneficiary designation under the new plan. You should review the designation to ensure it reflects your intentions. We will not be liable for potential losses, if any. If you prefer, by notice to us, you may elect another form of retirement income that we are offering at that time and which is permitted for a retirement savings plan.

If an annuity is selected as your retirement income, we undertake to provide an annuity that provides for annuity payments in equal periodic amounts payable yearly or more frequently. The annuity will be issued in accordance with our rules and issue rates for annuities which are then applicable. You must provide us with satisfactory proof of the date of your birth and sex on or before the Maturity Date. If there has been any misstatement, we will make any adjustments we consider equitable.

Any annuity provided must comply with subsection 146(1), or any successor provision, of the Income Tax Act. Annuity benefits payable to your surviving Spouse or Common-law Partner following your death may not exceed the annuity payments which were being made to you before your death, except for increases due to indexing as permitted under subparagraphs 146(3)(b)(iii)(iv) and (v), or any successor provision, of the Income Tax Act. If the beneficiary under the annuity is not your Spouse or Common-law Partner at the date of your death, the present value, as determined by us, of any remaining payments will be paid in one sum and the annuity will be terminated.

If this certificate is governed by laws of the province of Quebec, the group annuity policy was established on or after March 1, 2006 and a single life annuity guaranteed for a period of 10 years is selected as your retirement income on the Maturity Date, the amount of the annuity payments will be determined by multiplying the value of the your account (less any applicable fees and charges) by the greater of i) our then current annuity rate for a single life non-participating annuity with a guaranteed period of 10 years; and ii) \$3.47 for each \$1,000 of that value, if you are male, or \$3.23 for each \$1,000 if you are female. However, if an annuity or another settlement option is not selected by the Maturity Date, the value of your account will be used to purchase a retirement income fund for you. Payments under the retirement income fund will commence in accordance with the terms of the retirement income fund contract. The retirement income fund contract will mature on the date you attain 100 years of age but not later than the 28th day of that month (the RIF Maturity Date). If you attain age 100 after the 28th of the month, you will be deemed to have attained age 100 on the 28th of the month. An annuity will commence on the RIF Maturity Date; however, you may elect to commence annuity payments prior to the RIF Maturity Date on the then current terms and conditions. When annuity payments commence, they will be equal monthly amounts and will be payable to you for life and cease on your death. The amount of the annuity payments will be determined by multiplying the value of the funds held in the retirement income fund for the payment of your annuity (less any applicable fees and charges) one month before the date annuity payments are to commence by the greater of:

- i) our then current annuity rate for a single life non-participating annuity with no guarantee period; and
- ii) for each \$1,000 in the retirement income fund:
 - if you are male and you elect to commence annuity payments
 - in the month next following the month you attain the age of 80 years, \$5.89;
 - in the month next following the month you attain the age of 90 years, \$8.55; or
 - if an election is not made the rate will be \$8.61 in the month next following the RIF Maturity Date when you attain age 100.
 - if you are female and you elect to commence annuity payments
 - in the month next following the month you attain the age of 80 years, \$5.37;
 - in the month next following the month you attain the age of 90 years, \$8.36; or
 - if an election is not made the rate will be \$8.61 in the month next following the RIF Maturity Date when you attain age 100.

Except to the extent permitted under the Income Tax Act, retirement income may not be assigned in whole or in part.

Section 8. Withdrawal of Funds

Subject to the terms of this certificate, on or before maturity, you may withdraw all or part of the value of your account by giving notice to us and may elect:

- i) to purchase any form of annuity that we are offering at that time and which is permitted for a registered retirement savings plan with payments commencing no later than the Maturity Date;
- ii) to transfer the funds directly to a registered retirement income fund, another registered retirement savings plan, a registered pension plan, a first home savings account or any other source permitted under the Income Tax Act; or
- iii) to receive payment in cash.

The value of your account will be reduced by the amount of any withdrawals.

All such elections will be completed in accordance with the Administrative Rules and the Investment Rules.

Notwithstanding the above provisions, the Plan Sponsor may impose restrictions on withdrawals and/or transfers to which you will be subject during the duration of your eligibility under the Plan as outlined in the Withdrawal Restrictions Endorsement.

Section 9. Termination of Group Plan or Active Participation

If the group annuity policy of this Plan is terminated, no further Contributions may be made and the Plan Sponsor will cease to be your agent under this Plan.

If you cease active participation in the Plan (for example, termination of employment or retirement) and the Plan Sponsor permits you to remain in the Plan, you may be allowed to continue making Contributions.

If you cease active participation in the Plan and the Plan Sponsor does not permit you to remain in the Plan, Contributions must stop and the Plan Sponsor will cease to be your agent.

In any case where you are not allowed to remain in the Plan, we may transfer the value of your account to another retirement savings plan or pay the value to you as a lump sum cash payment. You appoint us to be your agent for the purpose of transferring to another retirement savings plan.

If we transfer the value of your account to another retirement savings plan with us, the beneficiary designated by you under this Plan will also serve as the beneficiary designation under the new plan. You should review the designation to ensure it reflects your intentions.

We may, on our own or at the request of the Plan Sponsor, resign as issuer, and allow for the appointment of a successor issuer. The Plan Sponsor will advise us of the identity of the successor issuer within 60 days of such resignation, and upon the transfer of all Plan assets to the successor issuer, we will be discharged from any further liability under the Plan.

Section 10. Limitation of Liability

The provision of a life annuity, or another form of annuity settlement option, or a withdrawal or transfer of the value of your account, will constitute a full and final settlement of your or your beneficiary's rights, as applicable, with respect to the Plan, as against the Plan Sponsor, any employers authorized to participate in the Plan, any agents of the Plan Sponsor, us and any of our agents.

Section 11. Legal Actions

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*.

Section 12. Death of the Member

You may designate a person to receive all amounts payable to a beneficiary under this certificate. You may change or revoke a revocable beneficiary designation as permitted by law. If you die before the value of your account has been applied to provide an annuity or has been withdrawn or transferred, we will pay that value to the beneficiary in one sum in accordance with our then current practices. If you die and have named your Spouse or Common-law Partner as beneficiary, your Spouse or Common-law Partner may transfer the value of your account into another registered retirement savings plan, purchase an annuity, elect a lump sum payment, or transfer the funds to a registered retirement income fund in accordance with the Applicable Legislation.

Section 13. Registration under the Income Tax Act

We will apply to register the Member's plan as a registered retirement savings plan under the Income Tax Act and any similar provincial legislation. We have the right to amend, at any time and without notice, the terms of this certificate as we consider necessary so that the Plan will continue to qualify for registration.

Your rights are subject to the requirements of the Income Tax Act, any similar provincial legislation and, if locked-in funds are held under this certificate, to the requirements of the relevant provincial or federal pension legislation.

Except as specifically permitted under the Income Tax Act, no benefit, loan or indebtedness that is conditional in any way on the existence of the Plan or this certificate may be extended to you, the contributor or a person with whom you do not deal at arm's length.

We will not make any payments or permit any transactions under the Plan except those specifically permitted by the Plan or the Income Tax Act or required by law.

Section 14. Locked-in Pension Funds

If locked-in pension funds are transferred to the Plan, such funds will be governed by the provisions of the Locked-in Addendum. To the extent of any inconsistency between the addendum and this certificate, the Locked-in Addendum will override the terms of this certificate.

Section 15. Taxes

All fees and charges payable to us are net of any applicable taxes and any such taxes will be payable or recoverable in the same manner as the fees and charges to which they relate.

Section 16. General Provisions

Any notice to us must be in writing or such other form as may be agreed upon between us and the Plan Sponsor. Such notice will be effective when received at our Head Office.

Any notice to a Plan Member will be in writing and will be effective on the date it is received. Notice to the Plan Sponsor will be considered notice to the Member.

We may amend the terms and conditions of the certificate issued to you upon 60 days' notice to the Plan Sponsor, unless otherwise specified. Continuation in the Plan after the effective date of such amendment will constitute acceptance of such amended terms.

If we agree to amend or waive any provision of this certificate the amendment or waiver is effective only if it is in writing and signed on our behalf of by our authorized officer.

This certificate and your rights and benefits under this certificate are not assignable, except to the extent permitted under the Income Tax Act and any similar provincial legislation upon marriage breakdown.

You may request a paper statement of your account, a copy of your application for membership, a copy of the group policy and any other documents to which you are entitled to receive under the Applicable Legislation. Some of these rights are also available to your designated beneficiary or another claimant.

All payments to or by us will be in legal Canadian currency.

We may delegate some or all administrative functions to an agent. Notwithstanding any delegation to an agent, the ultimate responsibility for administering the Plan in accordance with the Plan's terms lies with us.

The Plan is subject to the Applicable Legislation. To the extent of any inconsistency between the Plan and the Applicable Legislation, the Applicable Legislation will override the terms of the Plan.
